Taboo? Says Who?

or "Everything you wanted to know about sexuality but were to afraid to ask."

Sex... Most classes about it are educationally boring, but when we talk to our friends, it's secretive or naughty, it's TABOO! Says who? We find that there can be a balance of humor & education when talking about SEX.

Our torture regimen? We'll cover contraception, STIs, sexual violence, orientations, sexual dysfunctions & sex with disabilities. Most importantly, we'll find humor in it all! Join in the fun:

Friday, Feb. 13th, at 6 p.m. in the Zurn building, room 114!

Mariana Simon-Toledo is a Mercyhurst alumni & Erin Moll is a Mercyhurst graduate student in Special Education. Joining them to answer questions & give comments are Dr. Sullivan, English professor & GSA advisor; and representatives from the counseling department, Mercyhurst college & the community.

The Mercyhurst College Gay Strait Alliance (GSA) is an RSCO that provides a safe, supportive, and non-judgmental atmosphere for anyone standing for equality, individuality, and pride in oneself. Our goal is to foster a group of people who share the desire to spread a message of tolerance, acceptance, and unity on campus. We welcome all students regardless of their orientation: gay, lesbian, bisexual, straight, transgender, or those who are still questioning their sexuality. We also support people who do not feel comfortable or ready to "come out" to their peers.
